

Interview with approximately 65 year old black female, Northport, Alabama (part 2 of 2) (Transcription)

The yellow vegetable <gap> that you fix real good, and I think you put some onions in it. That's one of my favorites. The yellow <gap> Squash.

tape continues: subject talks about getting the child to eat and sleep.

If somebody took a drink of water but couldn't get it down you'd say he couldn't Swallow
